Magic Your Love Story

i do

Digital Wedding Photography

Rhema media is pleased to present the finest quality digital wedding photography to our clients. We will shoot your wedding the same way we would for the album packages. Each wedding album is unique and you will get the full file best quality of all shots.

- 700 to 800 raw photos in CD
- Up to 10 hours of coverage
- Choice of 288 photos printed in 4R (4"x 6") slip in a deluxe album
- Photo montage in a Coffee Table Book

Cinematic Wedding Videography

One of the most increasing popular wedding coverage is cinematic wedding videography. The style of our shooting and editing skills produce a classic, love story-telling video. A love story video can be as creative and special as you like, reflecting your own unique personality as a couple.

- 1 set of raw DVD and 3 sets of edited DVD
- 1 set of mini-DV
- Photo montage in DVD cover

note: All filming are done in HDV (High Definition Video) format.

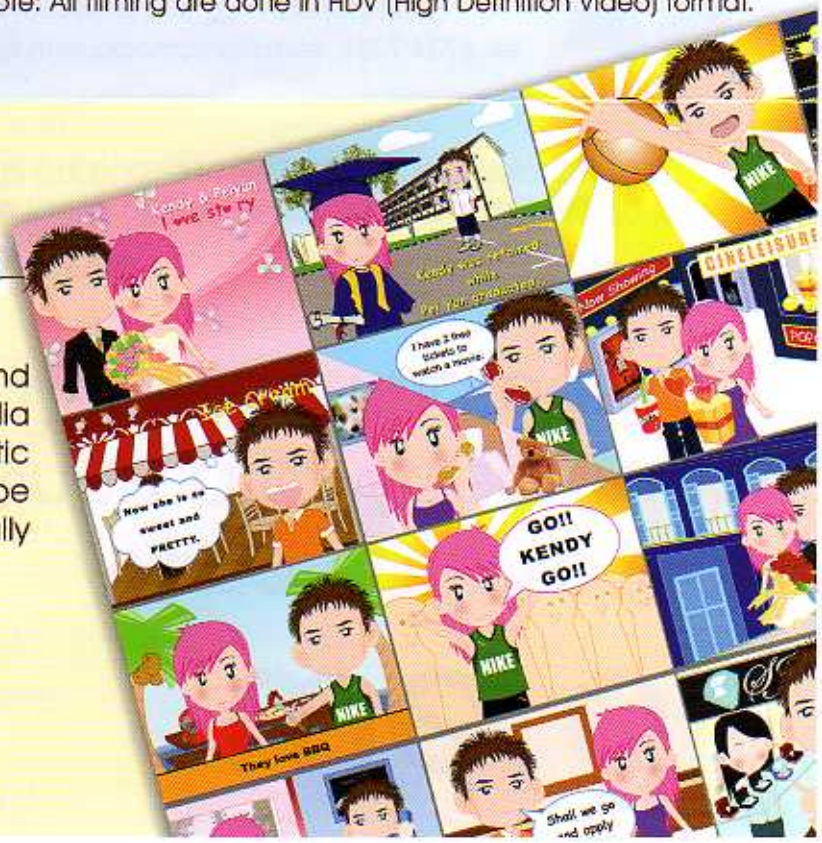

Animated Love Story

Animate your love story, express your affection and fall in love all over again. Let rhema media animate your special day to relive every romantic moment of your wedding day. Your guests will be enraptured by your love story, created in artistically for each couple.

- 2D and 3D character in Chibi or Manga style
- Full Animation in DVD
- Animation montage in DVD

note: Booking order is 3 months before the wedding date.
